**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is a more affordable, efficient service provider which we were offered to replace the ONLY two options previously AT&T and Comcast for wifi services.

We selected and choose them to reduce cost and have been pleased to reduce our AT&T high rates.

Please do not stop this improved option from continually being available to us in Brentwood, CA 94513.

As frankly, the AT&T and Comcast internet and TV cable source provider monopolies for service are not helpful to any community in terms of price controls and regular rate increases, which truly are unaffordable to most.

Thank you,

Lynn Roberts-Davis
